### City of Santa Clarita Transit is Fully Accessible

All City of Santa Clarita Transit buses are wheelchair accessible. Passengers can use wheelchair lifts or ramps at all accessible bus stops. Each bus has two wheelchair positions. If they are occupied, our driver will stop and let you know to catch the next bus. To ensure your safe use of the lifts, we recommend that you board the lift facing outward, and our driver will ask that you set your brakes. To ensure your safety during the trip, all wheelchairs must be secured. Most of our local buses are able to "kneel" for easy assistance. Please request the driver to put the bus in the kneeling position for ease of boarding. Lifts may also be used with a walker at the passenger's request.

### Dial-A-Ride and Access Services Inc.

### Transfers

If you need to change buses, ask the driver for a transfer when you pay your fare. This transfer allows you to travel in any direction on any local bus for no extra charge. Your transfer is valid for 2 hours from the time it is issued. Transfers must be surrendered upon use.

You cannot give your transfer to a driver and get a second transfer. For a third ride, you will need to pay your fare again. If you transfer to a route with a higher fare, such as from a local route to a commuter express route, you will need to pay the difference in the fares.

### Metrolink Fare Media

City of Santa Clarita Transit will honor Metrolink fare media when the origin/destination pair includes the trip to be taken on the bus. It must be a valid monthly pass, valid one-way or round-trip ticket for the date of travel, or a 10-trip ticket validated on the date of travel at the Metrolink Station.

Ten-trip tickets must be machine-validated on the date of travel to board the bus at no charge. If a customer who has NO valid Metrolink media boards a bus to a Metrolink Station, he pays the full bus fare.
